FAQ:

How many plants do I get?

Each tray consist of 10 plants in 4" square pots. These will be healthy, plants (not seedlings); they will be hardened off and ready to transplant outside.

Can I rent more then on tray?

Yes, you can rent up to 4 trays, we do limit the number of trays any one person can rent as space is very limited and we want the opportunity for all in the community who want to use this program to be able to do so.

What type of plants do you have?

We have over 200 different types of plants including herbs, perennials, annuals and vegetables. We also have organic seeds and heirloom varieties.

When can I pick up plants?

Most trays will be available for pick up in mid May (some restrictions may apply) till June 1st. Any plants left at the greenhouse after the first week of June will be considered a donation to TSH (unless other arrangements have been made) and will be resold or planted in the area. There will be no refunds if plants are not picked up by then or for any order cancelled after March 1st.

Can I change my selections after I submit the form?

Yes, you can change your selections up until February 15th. Any changes done after this date will be subject to a \$1.00 per plant fertilization charge. No changes can be made to them after March 1st.

Is there a guarantee?

We guarantee that our plants will up to our high standards but we can not guarantee that the plants will flower, grow fruit or even survive the season. If you are not satisfied please contact us and we will work with you to have a satisfactory experience.

What types of payment do you accept?

We accept cash or checks (checks should be made out to Corner Clubhouse).
